

Harmony: 'The Tuesday Tasting'

Every week, Hakkasan's wine team conducts a dedicated tasting session, trying out new wines with at least four different dishes from the menu: if a wine does not work with one dish – even if it is great with the others – it does not make the list.

All our wines (with the exception of the fine vintages on pages 12-13) are continually tasted as the vintages change, to ensure that they complement our cuisine.
